Assignment Magazine collects the work generated by a group of contributors assigned a challenge every month. The only rule for completion of the assignment is that the final product fit on a single standard-sized sheet of paper. Contributors take turns generating the assignments. Each work is © by individual contributor.

This month's assignment, assigned by Julia Weiss:

**IF I COULD TURN  
BACK TIME...**

March 12th, 1980

Dear Mr. and Mrs. Saunders

The state of Virginia and the Virginia hospital network wishes to apologize for the instance that occurred yesterday around the time of 10:50pm. When we heard that quote "a bearded man dressed in flannel and a hoodie" somehow snuck into the Incubating area and deep tongue kissed your new born son we were appalled and dismayed. While reports say the stranger appeared out of thin air we of course are searching as to how the perpetrator actually gained access. We can assure you we take every precaution to keep our premises safe and guarded and an event like this is unprecedented in the history of Virginia. We are going to take every precaution to make sure something like this does not happen again.

As to the well being of your son we are not sure what, if any, the long-term effects could be. He could simply grow up a normal healthy boy or if our worst fears are realized he could eventually grow into a sick, twisted, deviant, nasty boy. We simply have to wait and see.

If you happen to notice any of the following symptoms in your son please alert us immediately:

- a wicked curling smile
- a fondness for women of the Orient (Asia)
- a vaguely Swedish accent that is passed off as German
- the yearning to deep tongue kiss others in the fashion that was done on to him

Again we offer our sincerest apologies and pray that everything turns out as God intends.

Dr. Merrick 'Slender' Dongler

Virginia Commonweath Associate of Gross Hospital Misconduct and Debauchery

# If I Could Turn Back Time...

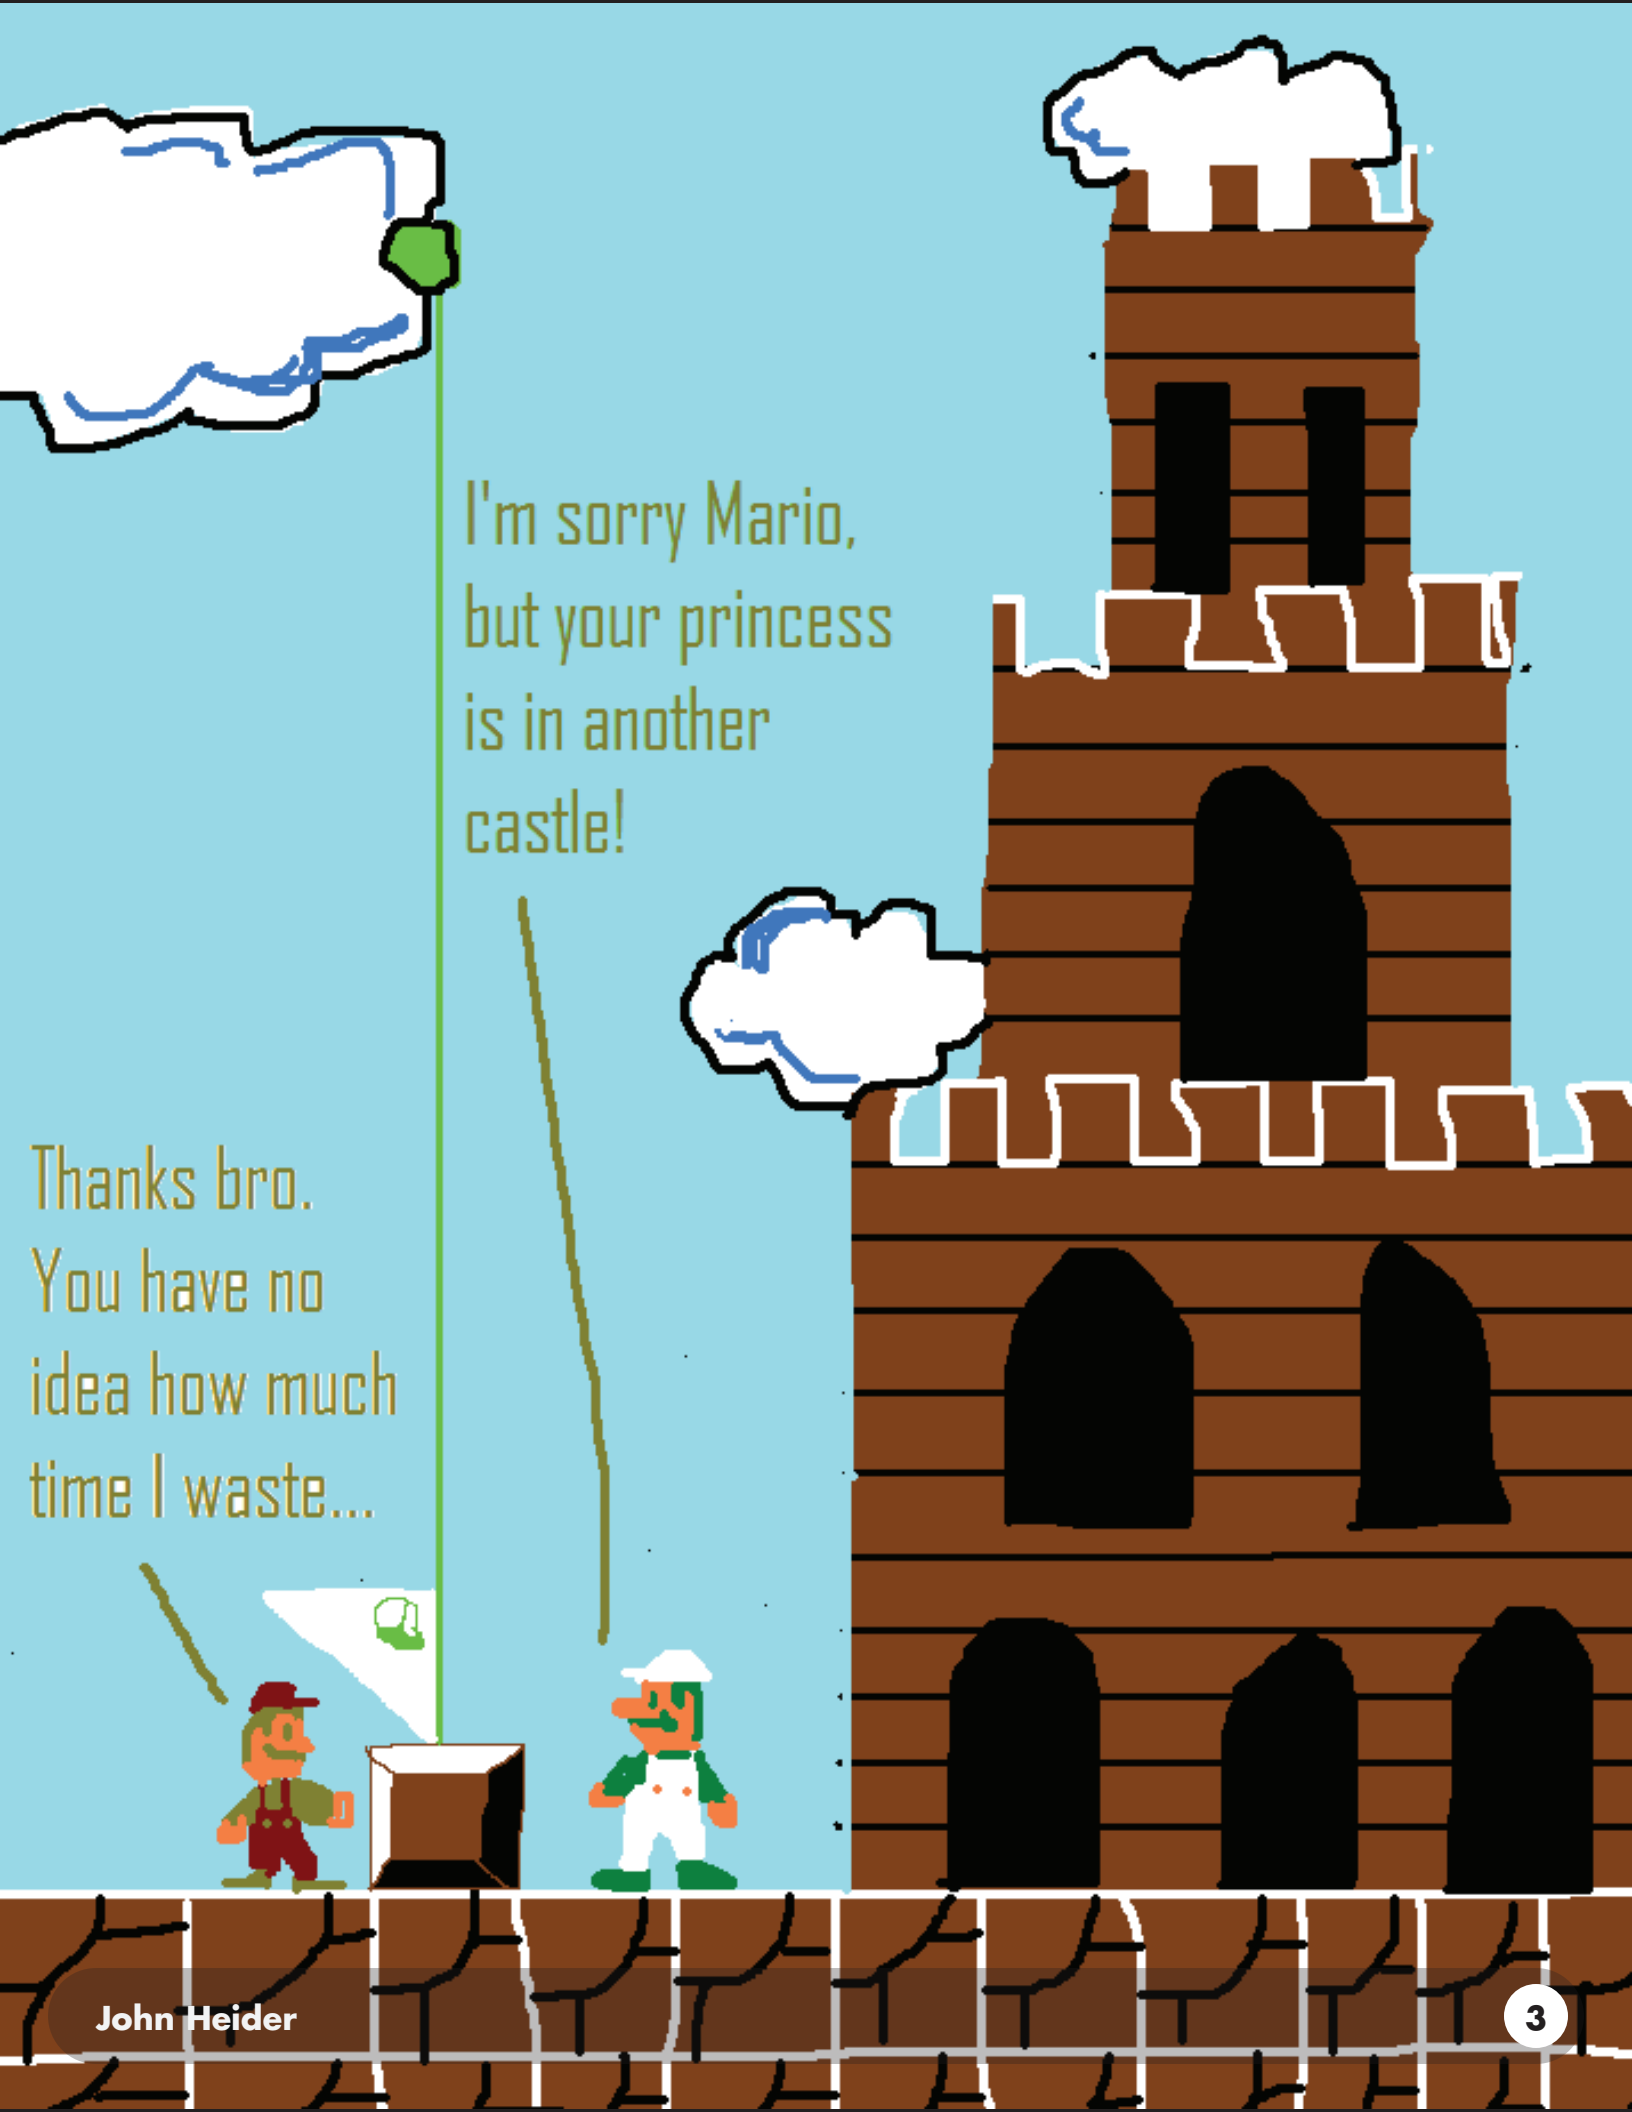

I'd spend another awesome  
day with these three.

---

Activities to include (but not limited to:)

Reading stories, playing board games, watching cartoons, coloring, drawing, working on craft projects, baking, swimming, assigning names & personality traits to Beanie Babies, eating ice cream, collecting Pokemon cards, playing Banjo Kazooie and singing really loud in the car, especially to They Might Be Giants.

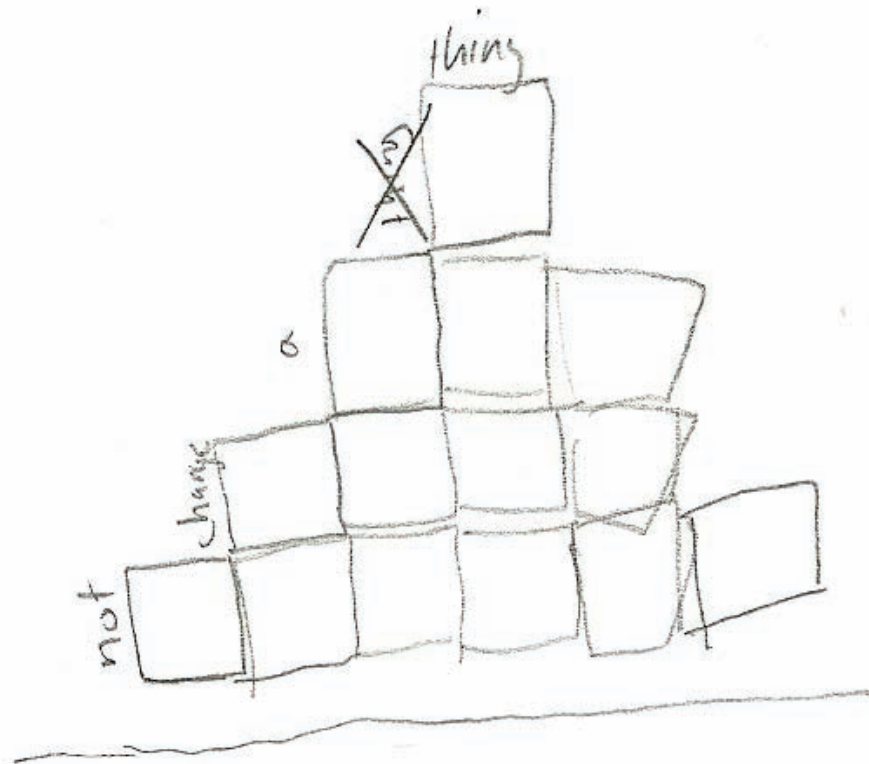

I'm sorry Mario,  
but your princess  
is in another  
castle!

Thanks bro.  
You have no  
idea how much  
time I waste....

Julia,  
I am not  
running from this plane. I am  
running to you. Maryne!

All my love,

Amy
